

TMS HEALTH ANNOUNCES NEW STATE-OF-THE ART FACILITY IN MOOSIC, PA

For Immediate Release: (Boca Raton, FL) June 21, 2010, TMS Health, a leading Healthcare Communications Company announces the addition of a new state-of-the-art facility in Moosic, PA.

TMS Health has enjoyed strong growth as a specialized healthcare communications company delivering customized programs that cost effectively extend the sales and marketing reach of its clients. The company provides solutions for pharmaceutical, medical device, clinical trial recruitment, and other healthcare companies interested in reaching and supporting consumers, physicians, and pharmacists.

“While other segments of the economy have struggled recently, the healthcare industry has continued to be strong,” says Guy Amato, President & CEO of TMS Health. “In fact, our company is actively developing and introducing new and innovative programs and services to our clients in addition to our current offerings.”

The new Montage Mountain facility is immediately seeking to hire up to 50 Professionals including Customer Service Professionals, Registered Nurses, Human Resources personnel, Administrative Assistants, Supervisors, Training and Operations Managers who have demonstrated customer service experience, have worked in health care and are passionate about helping people.

An open house will be held at the facility next Wednesday June 23rd from 10am – 3pm and Thursday June 24th from 4pm – 8pm. Interested individuals can receive more information by calling the Job Fair Hotline at 800-245-0090 or going to TMS Health’s website at www.tmshealth.com.
